Mare Care & Foaling

Your mares can be managed at our facility or on a haul-in basis. We work closely with many leading stallion farms and will coordinate the timing and shipment of cooled or frozen semen for your mares. When it's time to give birth rest assured with 24 hour video monitored foaling pens & on-call veterinary care.

- 📍 Reproductive Evaluation
- 📍 Ultrasound Examination
- 📍 Infertility Management
- 📍 Fall Broodmare Exams

Stallion Care & Services

From turn-key management of your superior stallion to seasonal and haul-in collection assistance and phantom training, we can help. We coordinate the collection and shipment of fresh and frozen semen to your clients for on-time same-day deliveries. We excel in handling your unruly, inexperienced or low quality semen stallions.

- 📍 Fresh & Frozen Semen Shipping
- 📍 Handling & Phantom Training
- 📍 Sperm Viability Examination
- 📍 New Mexico Bred Race Eligible
